ABOUT US

Arha – The Design Studio is an architecture and interior design practice founded in 2020. We design smart, functional, and visually balanced spaces for residential, commercial, and hospitality projects—focused on practical planning and smooth, execution-ready outcomes.

Led by Ar. Akshit Rungta, our studio blends creative design thinking with real on-site experience. With 5+ years of industry exposure, we manage projects end-to-end, ensuring clarity in decisions, quality in execution, and a stress-free experience for our clients.

At Arha, we don't just design spaces—we create environments that support better living, efficient working, and meaningful everyday experiences.

OUR VISION

To become a trusted and respected design studio known for thoughtful planning, dependable execution, and creating spaces that positively enhance the way people live, work, and experience their environments.

What We Do

- Strong on-site coordination & supervision
- Focus on quality, timelines, and budgets

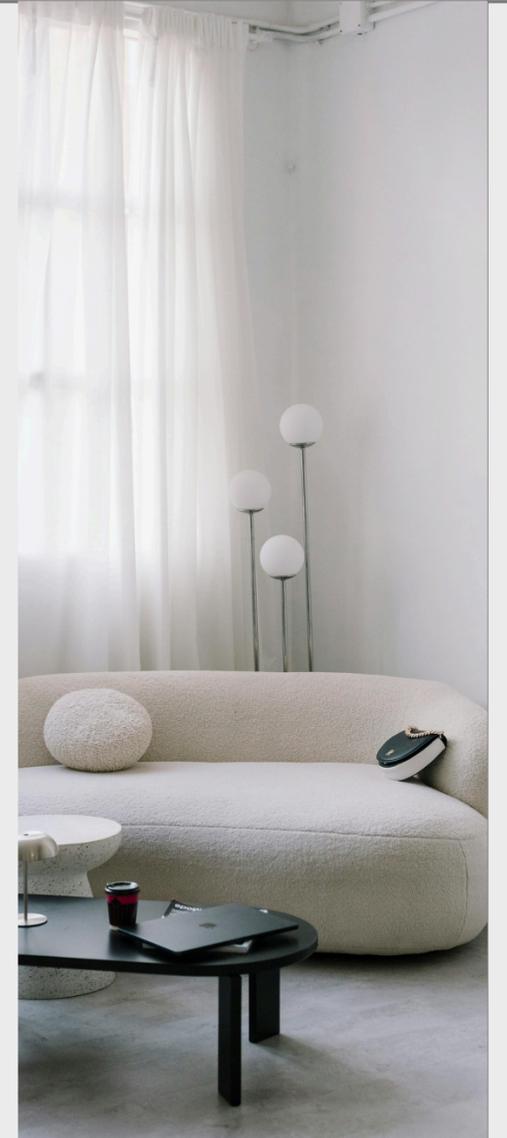

OUR MISSION

To deliver smart architectural and interior solutions that thoughtfully balance design, functionality, and execution—ensuring clarity, quality, and client satisfaction at every stage of the project.

What We Do

- Thoughtful, client-focused design solutions
- Clear processes with transparent timelines
- Every space is planned for real-world usability

OUR DESIGN PROCESS

Consultaion

Concept

Turning Ideas and client aspirations into a clear, creative design direction.

Drawings

Translating the approved design into precise technical drawings for flawless execution.

Execution

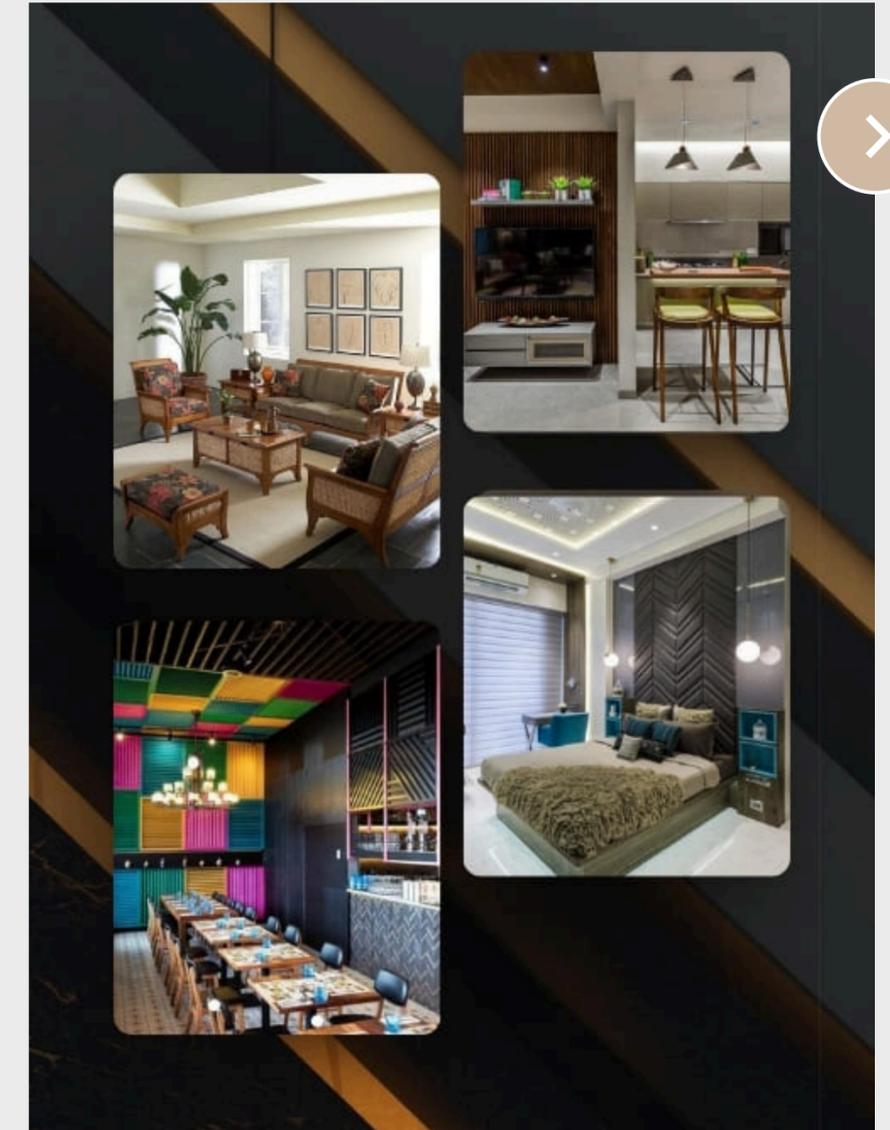

Bringing the design to life on site with quality control, coordination and attention to every detail.
